In re the Application of

Hitoshi MIZUTANI et al.

Group Art Unit: 2871

Application No.: 10/726,682

Examiner: T. DUONG

Filed: December 4, 2003

Docket No.: 117970

For: SPREAD ILLUMINATING APPARATUS TO ILLUMINATE TWO LIQUID
CRYSTAL DISPLAY PANELS DIFFERENT IN SCREEN SIZE

RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In reply to the May 4, 2005 Election of Species Requirement, Applicants provisionally elect Species III, Figure 9, with traverse.

At least claims 1, 5 and 9-11 read on the elected Species III. At least claim 1 is generic to all species I, II and III.

It is respectfully submitted that the subject matter of all species is sufficiently related that a thorough search for the subject matter of any one species would encompass a search for the subject matter of the remaining species. Thus, it is respectfully submitted that the search and examination of the entire application could be made without serious burden. See MPEP §803 in which it is stated that "if the search and examination of an entire application can be made without serious burden, the examiner must examine it on the merits, even though it includes claims to independent or distinct inventions" (emphasis added). It is respectfully submitted that this policy should apply in the present application in order to avoid

unnecessary delay and expense to Applicants and duplicative examination by the Patent Office.

Thus, withdrawal of the Election of Species Requirement is respectfully requested.

Respectfully submitted,

James A. Oliff
